Olivia was born on August 17, 1936 in Wibaux, Montana, a daughter of Dominick and Katherine (Schaan) Job. She was raised and educated in Wibaux, and several years after her schooling she met and later married Mathew Barth. Olivia and Mathew were married on February 2, 1956, and to this union one daughter was born, Jerilyn. This union subsequently ended in divorce, and later Olivia met Ray Jimison. Olivia and Ray were married on November 22, 1976 in Belle Fourche, South Dakota. Following Ray's retirement, he and Olivia became "snowbirds" and spent many winters in Yuma, Arizona. While in Yuma they would spend time with Ray's cousins and several new friends they met along the way.

Olivia enjoyed watching the Game Show Network and also the HGTV station. She was known for her excellent baking and also for her love of shopping -

especially shopping for purses. She loved purses and always carried a roll of quarters with her.

Above all else though were family and God. Olivia was exceptionally proud of her family. She also carried with her a strong faith in the Lord and prayed her Rosary several times a day.
