“ I remember Phyllis since way back in my high school days, and in the times I've visited with her since she always had a cheerful smile and an interest in how things were going in my life.

*As I looked through all the pictures on the tribute wall, I can see the love of Phyllis' family surrounding her.*

*Phyllis will be missed by so many, and I hope with the legacy she leaves behind being filled with so much life and happiness, it will help to carry her family through this difficult time.*

*Rest in peace you beautiful lady.*

“ Phyllis was one of the nicest and hardest working women I've ever known. She was highly thought of as an employee by my folk's, including a stretch of time when she was my supervisor. She was so good to me.
