

Randy Richard Kniepkamp

July 29, 1958 - January 21, 2022

Randy Kniepkamp, age 63 of Lindsay, Montana, passed away peacefully Friday evening, January 21, 2022, at the Glendive Medical Center in Glendive, Montana, with his wife and 2 daughters by his side, after a difficult recovery from multiple surgeries.

Randy was born July 29, 1958, in Circle, MT to Stanley and Arlene Kniepkamp. He was the third of 4 kids, and a character from the start! He grew up on the family farm in Lindsay, MT (which has been in the family for 100+ years) and his love for farming and ranching blossomed at a young age and continued on until the day he passed.

Randy met his wife of 41 years, Ann, and convinced her to make a life on his little slice of heaven, the family farm. Together they had two daughters Erin, and Ellie. He was the best Girl Dad and loved watching his wife coach Circle Wildcat Volleyball, and his favorite athletes were his daughters. You could always hear him leading cheers and getting the crowd pumped up! After his daughters graduated, the new passion he found was photography. He loved getting press passes and doing sports photography and also loved taking nature pictures.

Randy had a larger-than-life personality, and could make anyone laugh! He was the best storyteller, knew every dirty joke, and had no shame doing

anything to get a laugh out of people. He was 6'6, so he always stood out in a crowd and didn't mind being the center of attention! He made friends everywhere he went, and was in a bowling league for years traveling the state and raising hell!

Randy is preceded in death by his parents, Stanley and Arlene Kniepkamp, nephew Tyler Kniepkamp, and brother-in-law Charles Mooer. He is survived by his wife, Ann; his daughter Erin (Tyson Wilber) of Billings; daughter Ellie Kniepkamp (Andy Nyberg) of Circle; sister Deb Mooer; brothers Rick (Donna) Kniepkamp; Mike (Kathy) Kniepkamp and several nieces and nephews.

Per Randy's wishes, there will be no immediate funeral and the family has decided to do a celebration of life at a later date. Silha Funeral Home has been entrusted with the arrangements. Remembrances and condolences can be shared with the family at: www.silhafuneralhomes.com.

“ My name is Rob Stephens and Randy was a good friend of mine. I met him in Circle about 1978-1986 and we played basketball and softball. We had this basketball team that on paper looked like a bunch of country bumpkins but we were unbeatable because of our go for broke chemistry. Randy would get pitted against college kids and college coaches—many bigger than him—but none as relentless and fearless. He was just the best teammate and friend you could ask for. I'd see him at high school events all over the state and even though we hadn't seen each other for a year we could grab a beer (or two) and visit all night. He was a one of a kind and had a personality that was unmatched. I will miss him and his laugh. My prayers go out to his family as the world lost a very special man!

“ My heartfelt condolences and prayers go out to the Kniepkamp family. Randy will be dearly missed by all of us that had the good fortune to know him. I had the pleasure of meeting him at a couple of the Kniepkamp holiday gatherings and I remember his infectious laugh that filled the room with a joy that made me laugh as well, even when I didn't know what the joke was about. God bless you all. Happy Trails Randy.

“ *One could write a book on sharing memories of Randy. There are no words to express the joy and laughter he brought to all of who had the privilege of calling him friend. I always made sure I sat in same back pew of church with Randy. Otherwise during the sharing of the peace portion of the service, Randy would call out loudly and, with the peace sign held high, “Brother Larry, Peace.” I thought it was just easier to try and sit next to him.*

“ *Randy always used to come into the Lindsay Station (Farmers Union Oil Co.) when I worked there in my teen years. He'd always show up with a joke or something inappropriate to say making me laugh and making my day!! What a great guy, and I'm truly heartbroken to hear of his passing.*

To Randy's wife and family and to his siblings, I am so sorry to hear of Randy's passing. I did not know him well, but know what he was like during the years that Robyn and Max went through high school and the sports programs. I will never forget his 6'6 " frame circling the gym encouraging/inciting the crowd to cheer and cheer loud and hard. What a great guy! My deepest condolences to you all.

Thinking of you Ann, during this sad, difficult time. I didn't see Randy often after we grew up, but when ever I did, he always had a hug and a big smile for this old neighbor. God speed Randy
