“ A friend sent me Becky's obituary. It brought me back to my high school years. Becky and her brothers lived with us during the week, so it was easier to get to school. To Clay: I'm so sorry for the loss of Becky and Ned. My thoughts and prayers are with Becky, Clay, your mom, and the rest of your family.

“ *To Becky's family - I am so sorry for your loss. Becky and I were friends during HS though I had lost track of her over the years. I thought I saw her down the aisle in Albertsons last week, but by the time I made it through the crowd she was gone.*
