“ Richard came to Washington Middle School and spoke to two of my Career and Life classes about working in the construction field as a carpenter. He was concerned about talking to 7th graders, but did a fantastic job! He shared a wealth of valuable information with them as future job seekers. I wish he could have talked to all my classes! I'm so sorry for your loss. Nancy Pedersen

“ *My deepest sympathies to Rick's family and extended family. We've known him for decades with his friendship with my brother, Ken Thompson. He was one of the guys Ken would bring to our house for dinner during our teenage years and my mom always made enough food for teenage boys to fill up on. So many memories of Ken and Rick. My heart hurts for all of you.*

“ I am sorry to hear the passing of Ricky. He was a thoughtful classmate of one of my sisters. My family used his family for many years as pallbearers, going back to the Hope American Lutheran Church. I can still see him where he stood when he was confirmed at Zion Lutheran and where my sister was. There were many times I ran into him when he went out to eat and I stopped to say hello. I have so many memories of him and his aunt who taught me in Sunday school. You will be missed!
