“ *Gary, Tom, David, Jim and Families,
I'm so sorry to hear of Robert passing. Here I thought he was still
out on the place. Mom always mentioned the time she was Santa
and sat on his lap and he didn't know who she was. Whenever I
saw him he always asked how mom was. He is at peace now and
all his troubles behind him. Margo Hellickson*

*I will always remember Robert as a very faithful usher in church and a
faithful son-he would bring his mother to visit my mom on Sunday
afternoon and then he would leave for awhile and let them visit. Our
thoughts and prayers are with his family. Walt & Janice McKeen*

Im sorry to hear that Robert passed away. I have fond memories of going high school with him we were in the same class. By the way he graduated in 1950 not 51. He used to give me rides in his old model a pickup. It did not seem to matter how cold it was he could get that thing started. I dont know if true but I heard a rumor when he did not have a drivers licence he would drive his tractor to town. I thought that was hilarious and it sounded like something he would do.

RIP Robert
