“ *My most sincere condolences to Bob's family. Bob was a very special person to me, one of my favorite diners while my dad had the Town Skillet. Even though I was only in High School i shared a cup of coffee more than once with Bob. He helped me on my way when I decided to go back to school 6 years after graduating high school by co-signing my student loan that launched my college career. That's the kind of amazing guy Bob was. I have thought about him often over the years. I know he will be missed by all who knew him.*
