“ *Bob was one of the first people I picked up on the bus when I started working and he always loved to talk. As the dispatcher I talked to him every work day and I miss his wry, dry sense of humor. He was a creature of habit so we always knew when and where he was going and could really keep him on his toes when we knew his destination before he told us. He is missed and may he rest in peace. God Bless Bob!*

“ *I had the honor and privilege of meeting Robert about 5 years ago. He was a kind and decent man who didn't need much. He was proud to have served his country and as a Vietnam veteran was a true patriot. He is missed and his life mattered. Although being raised in a loving family in New Jersey he found a special love for the West and especially Montana. My sincere sympathies to his sister Carole. May he rest in eternal peace.*
