“ *Sally was my classmate and one of my best friends in high school. I have many good memories of cheering with her and the many bus rides we had to sporting events. I know there was rejoicing in Heaven the day she left this earth and was reunited with her loved ones. Madge and Joe were such wonderful people, and they would always greet me when I returned to Beach. My sincere sympathy to all of Sally's loved ones. In my last visit with Sally in her office at the bank, her smile was wide as she told me about each of her children, grandchildren, and great grandchildren. You were all so special to her.*

*Thanks, Sally, for being a good friend to me in our younger years.  
Rest in God's love.*

“ I remember the first time I met Sally. It was the summer of 1965 and I was one of the new guys at Home on the Range. The Ranch bus stopped at the Dairy Queen for ice cream and Sally was working at the window. I ordered a cone and Sally handed me my change. As I walk away, I noticed that she had inadvertently given me a \$20 dollar bill in with the rest of my change. I turned back to the window and gave her back the \$20. She was very appreciative to say the least. She asked my name and we became friends after that. There's no family that I like and respect more then the Niece Family. They always made you feel special. Sally's mom Madge was a saint. We're all gonna miss you Sally but I know you're in good hands.

*Respectfully...Tom Newman - Home on the Range and Beach High School graduate - 1965-67*
