“ I love you grandma and will see you soon 🐾

“ That's was my grandmother but more in one ways that was my mom. She taught me everything how to ride a horse , how to talk to my son after she had her stroke , how to drink beer and smoke a cigarette when you could not talk she could pull it out of you.. . She was a free spirit you could not tell her where she could go or how long she could stay.. She was like a wild horse she did what she wanted.. And she will always be loved for that. She had 1 son and 3 daughters and I was the oldest grandchild I was exactly like her wild and free.. To her we give our strength and admiration
