“ *I just ran across this by accident. Sharon and I were childhood friends since 1955. We had such a good time as children and the the teens. We kept contact after we each got married but as the years go on and life takes you down a different road we list contact. I took care of her Dad while he was Dying in the hospital. Oh what great times we Had Sharon and my sympathy goes to her family. Sharon made a wonderful friend for me even if I was allergic to her cats. Good by Shsron and see you later.*

“ Bill, Travis, Sasha and family~ I am so sorry for your loss of Aunt Sharon. She was a fabulous lady who I loved to visit with and enjoyed spending time with her. I am so glad we got together more this past summer and most of all I got to spend part of my birthday with her a week ago in Dickinson. She gained her angel wings and is now with her family and Troy looking down on us. This will be a rough journey for us but we will get through it together. Cherish your memories as you will always have them. I know I will cherish all of my memories of her. My thoughts and prayers are with all of you. RIP Aunt Sharon! Love you always!
