“ *I'm so sad to hear of Sheryl's passing! I've known her since I was 18 or 19 years old. Lots of wonderful memories of all the good times we've had between Iowa and Utah! I'd like one dollar for every garage sale I've been to with her! I feel bad that over the past few years we'd lost touch. But I am grateful that I got to meet Harlin when they were at Robyn s and we had a nice visit. Sheryl and I talked so much, catching up and reminiscing that Harlan couldn't get a word in edgewise! My thoughts and prayers are with you all!*

“ *Never a dull moment when she was around and crazy as a loon, but full of life and fun. I will cherish each crazy moment with you as well as our soft emotional ones as well. You are an amazing soul. You will be missed beyond measure. Spoons will never be the same without you. Love ya, Renee*

“ *I never saw Sheryl in a bad mood. She turned everything into something funny. Sbe was always positive. She had a " let's just try it and see what happens" attitude. She always had a "blonde joke to tell". Miss you Sheryl.*
