“ Lord, at the moment nothing seems to be able to help the loss I feel.
My heart is broken and my spirit mourns.
All I know is that Your grace is sufficient.
This day, this hour
Moment by moment
I choose to lean on You,
For when I am at my weakest Your strength is strongest.
I pour out my grief to You
And praise You that on one glorious day
When all suffering is extinguished and love has conquered
We shall walk together again.

“ We have been friends for so many years. I met her when I got my very first job. It was when I was in the seventh grade. I had just started working at my first job in the restaurants. I met her and we were friends every since. I am now 56 so you can only guess how long ago that was. I really loved not only working with her but as a friend. It's not often that you can find friendships like that that have continued a life time. I sure will miss her. I feel like I've lost a very big part of my hart
