

Terry Quintus

August 24, 1962 - July 12, 2018

Terry Quintus, age 55 of Wibaux, Montana passed away unexpectedly on Thursday, July 12, 2018 in Cody, Wyoming. Visitation will be held from 1:00 P.M. until 4:00 P.M. on Friday, July 20, 2018 at the Silha Funeral Home in Wibaux. A Vigil Service will be at 7:00 P.M. on Friday, July 20, 2018 at St. Peter's Catholic Church in Wibaux. Mass of Christian Burial will be held at 10:00 A.M. on Saturday, July 21, 2018 at St. Peter's Catholic Church in Wibaux. Rite of Committal will follow in the Wibaux Cemetery. Silha Funeral Home of Wibaux has been entrusted with the arrangements.

Terry was born in Richardton, North Dakota on August 24, 1962 to Wilfred and Mary (Ronish) Quintus. He was proud to be a farm boy, growing up in Haymarsh, North Dakota and attending school in Glen Ulin, North Dakota. After graduating high school in 1981, Terry attended Dickinson State University on an athletic scholarship. A knee injury cut his athletic career short, but his presence at DSU allowed him to meet his wife and best friend Kris. Kris and Terry were married in March of 1984 and shortly after that Terry began his lifelong dedication to education.

Kris and Terry added three children to their family while moving around Montana and North Dakota as Terry continued to advance his career in education. Terry most recently served as the Superintendent of the Wibaux Public School. His dedication to education was most visible in his generosity, Terry was always looking to help, whether that meant coaching, teaching

additional classes or officiating games. Terry saw Christ in all people and could talk with anyone for as long as they would let him.

His position as a permanent deacon in the Catholic Church, for which he was ordained in 2002, allowed him to extend both his joyful personality and his immense generosity even further. He loved the outdoors, taking great joy in camping with Kris, golfing with family and friends, and taking his dogs for walks. Much of his recent down time was spent sharing his love and generosity with his three granddaughters. Terry was a loving, committed and supportive husband , father and grandfather who will be greatly missed.

Terry is survived by his wife Kris Quintus, his three children; Brennan (Makenzie) of Bismarck, ND, Seth (Audrey) of Honolulu, HI and Mariah Quintus of Kemmerer, Wyoming; three granddaughters; his parents, six brothers and sisters, numerous nieces and nephews, and his dog Max.

“ My heart goes out to your family. I grew up and graduated with Terry & his twin brother Steve. Class of 1981 in Glen Ullin, ND. We were all in band together & numerous other classes. Outside of band I remember watching him play basketball & football. I loved going to basketball games & screaming my lungs out for our Senior class. Terry always treated everyone with respect & I was always thankful for that. I knew Terry was in education & lived & worked throughout Western ND & Eastern Montana & am grateful that he touched so many lives. He will be dearly missed.

Blessings to the immediate & extended family. May his memory live on.

“ So sorry to hear of your loss. I was a student of Mr Quintus during his time at Burke Central. He was a great educator and I really appreciate now the things he did for us. The best memory I have of him is when he pulled myself and the other few Catholics in the high school into his office when they announced Pope Benedict XVI he told us this was important for our faith to witness. He was a great example on living your faith. My thoughts and prayers are with you all at this time.

“ Sympathies to the Quintus family. I am very sorry to hear of Terry's passing. I will always remember competing against Terry in football and basketball.

A specific memory I have is when Glen Ullin came to play football in Hebron. Terry had a breakaway run and I was coming from a linebacker position and I was going to lay a shtick on Terry. After the tackle I proceeded to get up and the only sense that was working was my hearing because I heard Terry say "Nice hit". I came out on the losing end of that collision.

“Dearest Kris, Brennan & Makenzie, Seth & Audrey, and Mariah, It is so difficult to wrap our minds around the reality of death...especially someone as vibrant and alive in faith and love for family and friends that Terry lived day in and day out. He always seemed to be optimistic and hopeful. His laugh and chuckle are etched in our memories. Ken and I are ever grateful for the friendship of Terry and your family. I searched my soul for a simple quote to dedicate to Terry. This is one speaks beautifully of the man whom you know as husband, father, grandfather, brother, son and friend..."Africans believe in something that is difficult to render in English. We call it ununtu botho. It means the essence of being human. You know it when it is there and when it is absent. It speaks about humanness, gentleness, hospitality, putting yourself out on the behalf of others, being vulnerable. It recognizes that my humanity is bound in yours, for we can only be human together.” - Archbishop Desmond Tutu-
May your ache be soothed with the hope and promise of that eternal life one with God that Terry often preached about. Peace. Ken and Cherie Roshau

“ Dear Kris and family,

I am sharing these memories with my deepest heartfelt condolences of your sudden tragic loss of truly a great man in all areas of life.

Terry and I go back with memories to his high school days when I was teaching and coaching for 20 years in Hebron. When life would have us cross paths we would share about our sports as athletes(Savage/BlueHawk), coaches, officials, and our experiences as educators! He always made me feel very special that I was an important part of his life by taking time for our visits.

He would always share how the dividing line of the school districts of Glen Ullin/Hebron(lived North of Hebron in the Haymarsh area) almost allowed him and his twin Steve to have had the opportunity to be in Hebron with the many multi-talented athletes already there and how the twins could have made the sports programs even that much more successful and dominant. Of course this would lead into them as an athlete and me as their arch rival coach in football They were highly respected and were close friends throughout life with many of the athletes/classmates in the class of 1981.

Later in life, I had the opportunity to work with him when he was an administrator at Trinity High School in Dickinson, ND for three years, 1997- 2000. This allowed me to have a great experience out of education. I did substitute teach and for two seasons was one of the assistant track coaches working with the many talented jumpers. He had compassion for people and could see they needed help which he provided. My daughter, BreAnn had a great educational and sports experience there graduating in 2000.

The memories when we became sports officials in football and baseball were some of my best ever! He was much more experienced than I was, so he guided, mentored, and taught me how to be a better official.

I did have a unique experience to have had the honor and privilege in my basketball officiating to have officiated his varsity boys teams while he was at Wibaux, MT. He knew how to respect the officials calls and made it very enjoyable!

I also had to pleasure to have officiated his oldest son in football

and baseball. His strong Christian upbringing showed in how his children handled themselves.

My thoughts and prayers are with everyone!

May God give you comfort, peace, and strength to endure this difficult time.

If you need any type of help, I am only a call away. 701-290-8294

Thanks Terry for making a positive influence on my life and countless other's ! I hope I made a impact/difference in your life too!
