“ *I don't know how to express how my heart hurts. I wished we would have known just how sick Tom was, but that was the kind of person he was. He always made me smile when I went out to the shop or when he came in for lunch. Tom was like part of our family, and I am going to miss him forever. Geraldine Deines and family*

“ Not even sure where to start. Tom and I spent a lot of time together in high school. Great memories and lots of stories. From playing sports with Tom to many excursions in his Ol' Yeller truck — I will remember our times together. Some of the times I have laughed the hardest were with Tom! Fly high in heaven my brother — see you on the other side!
