“ We are very sorry for Lorraine's family at the loss of her. It's very hard to lose a loved one. We have pleasant memories of Lorraine having known her for many years. She was a sweet person who was always willing to help out with most anything.

Jackie had the pleasure of working with her at elections and learned the how to do the job. That year she took all of us who worked the election to the court house, in Glendive, to see how the process was done there.

Heaven has received a wonderful Spirit.
