

## Victorio Alan Deshner

July 30, 1976 - March 5, 2023

Deshner, Victorio Alan (Vic), 46, of Glendive, MT, passed away at his home on March 5, 2023. Big “V” was born July 30, 1976, in Great Falls, MT to Denise Reissing and Aaron Deshner. Afterward, Vic graduated in 1994 from Cascade High School, where he earned his degree in basketball.

In 2003 he met the love of his life Christina Asay and had three beautiful children. Vic was known for his humor and convincing practical jokes. One of the most unforgettable was his spontaneous marriage on April Fool’s Day 2013. If you were fortunate enough to be in Vic’s inner circle, you knew you always had someone to infuriate you, laugh at you, and laugh with you. But most of all you had his unconditional love and support. Vic played from the heart. He was always there to support the underdog and the down and out. Vic enjoyed sports and was a die-hard Packer’s fan.

He was a pawn broker at Glendive Pawn, but he referred to himself as a Pawn Star. His job brought happiness into his life. He went in early everyday he had to work, loved his customers and even went out of his way to help them when he could. Vic could never pass on a good deal. One of those hard to pass up purchases was a double deep fat fryer that he planned on using for his first annual Big V’s Wing-a-ling Thing.

Vic was survived by his wife Christina (Steen or Ronnie Linda) Deshner; his daughters Tneea (Mackanoonie by morning) Deshner, Tatum (Tootie) Deshner, and son Tuff (Buba-giskis) Deshner, all of Glendive; His mother Denise (Grandma Crumbs) and husband Robert (Papa Skip) Reissing of

Cascade, MT; His father Aaron (Peanut Butter Eighter) and wife Clara Deshner; His sisters Rose (Biggums) and husband Jeffery Wagner, and Melody Deshner, all of Great Falls, MT; His brother Chad and wife Jamie Waltz of Hobson, MT; There are numerous nieces, nephews, and extended family that will miss him.

He was preceded in death by his grandparents Wilmer and Minnie Deshner, Grandfather Denton Lloyd, and his grandmother, whom he had special adoration for, Rose (Goomer) Catania.

In honor of Vic's life, the family will hold Big V's Wing-a-Ling Thing at a future date.

“ *Vic you will always hold a special place in our hearts. You were the funniest person I ever met and it was an honor to have been in your life. One of my favorite memories of you was when we were at a festival. It was so crowded we couldn't get through all the people until..... You hear "HOT BREAD, COMING THROUGH!" People parted like the red sea and we followed you through the crowds. You could see a smile on everyone's face as we passed by... obviously without hot bread. That's what I admired about you the most, you could get everyone to smile, even complete strangers. Rest in peace Vic, Seth, Zelda and I love you.*

“ *Victor was my defender and protector, classmate and friend. I am fond of his entire family. I know his mom and sister. Rosie or Rose, and Denise my condolences in the passing of Victor. I'm sorry for your loss. I share some of your grief. Now that I have found out about the passing. He was a dear friend to me. I am or was the High Queen. I care and have cared about all the peer members and families of the class, peer support we have lost over the years. I will miss the Victor I knew. Please let me know what I can do, and do wish if I get details in time, to attend the memorial or funeral of my classmate so I can say a proper goodbye to my protective support defender. I appreciate all he did on my behalf, while I was growing up. I want to say, I loved him in a professional classmate sort of way. I will forever remember his spirit and laughs he brought me. I cared once I found out what he had done for me. I will forever be in his debt. Rest in Peace dear Victor. See you on the other side dear protector and defender. Krystina Kaelyn Prinzing Ward*

“ Over 20 years ago I had the honor of meeting Vic. We became good friends (as most people would) because of his humor and shameless wit. My favorite memory is when we decided to take a jog at Broadwater Bay. He showed up- in a crop top, 70s style running shorts and knee highs. Brilliant and hilarious, those memories will always exist. A million blessings to his family.
