“ BC, Happy Trails my friend.
Condolences to all of Bill's family and friends. BC was such a great friend and co worker. He was quite the prankster and anyone who knew him was probably a victim of one of his pranks. He will be missed by many.

Condolences to family and friends. Know Bill has had rough times last few years. He was a tough man who never gave up getting his health and abilities back. He is happy being with wife, both holding hands with Our Lord.

We will surely miss our little brother who was only 10 years old when Tucky and I were married so he spent a lot of time on our farm- riding horses ,building a go-cart, fishing, and many other fun things! We will miss all of the great things and visits that we had!! His determination led him to overcome many obstacles which made his last years on this earth more bearable! Love you brother Bill!
