

William "Bill" Green

June 23, 1961 - July 3, 2025

William Delbert Green better known as "Bill" passed away Thursday July 3rd at St. Vincent hospital in Billings Montana.

Bill was born June 23rd 1961 in Miles City, Montana to Wesley and Judy (Appleby) Green. Bill grew up in Glendive. He especially enjoyed spending time on his grandparents' farms; the Appleby's and Green's.

Early on he did some farm work and then traveled with a custom combine crew. He started driving truck and eventually got his CDL. He was very proud of his profession career.

Bill's co-pilot for a million miles was his beloved mutt "Rascal." it seems Rascal was in a bunch of puppies looking for a home and he picked Bill instead of the other way around. Sadly, Rascal passed away several years ago.

He loved Rascal and he loved his 2000 Chevy 3/4 ton with big fat tires and tall shiny twin stacks. It did make some noise. Bill said "I think people like it, they always turn and look."

Bill was preceded in death by his parents and his sister Susan Devlin. He is survived by his sister, Debi Spicher, brother Tom (Charli) Green, niece Jessica

(John) Emly, nephews Tom (Skyler) Green Jr, Michael Devlin, Tyler Devlin, great nieces Abrianna Strong and Ellie Mae Green, Uncles Michael Appleby and William (Jean) Green, and numerous cousins.

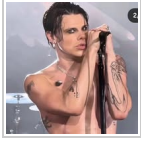

A private family graveside service will be held in the Union Cemetery.

“ Of course Tom, there are many memories from the neighborhood particularly very early days when Bill was much more around. I remember those big trucks that he would drive. I remember his sage words of advice to us young whippersnappers that were running carefree in that neighborhood for so many years. Always had that grin, and always had that slow drawl talking. He will be missed. it was a good brother.

“ Oh my this just saddens me. I went to school with Bill. We were good friends for years. You all have my deepest condolences. I will miss talking to him whenever he would come to town. Bill was a great guy, he had the biggest heart. He would do anything for anybody. RIP my friend. God gave you some beautiful wings, so soar and soar high. You will be missed but not forgotten.
