He later worked in the logging and trucking industry where he started a truck brokerage business, owning and operating two semi-trucks. They were married on April 19, 2014 and reside in Richey, MT. He worked for K C Transport in Sidney, MT and at the time of his passing, worked for CHS in Glendive, MT

Bill's dream was to own his own farm and with the deep love and support of his wife it became a reality. He enjoyed being at the farm, driving his tractor, feeding the cows, and spending time with friends and family, especially his wife Jacque.

Bill is preceded in death by his parents and his brother Ken Wehren. He is survived by his wife Jacque; son Robert Wehren of Richey, MT; daughter Jessica (Matthew) Ricci and their two daughters of Belgrade, MT; Step-daughter Laramie (Paul) Head and their three sons and one daughter of St

“ *Dang Wild Bill, I always thought I'd see you again. You were one of the good guys.*

*I went to school with Bill. I have to admit I was not very popular. One day Bill saw me getting bullied and he put a stop to it. When I tried to thank him for the favor he would have none of it. He said he didn't do me a favor, he just did what was right.
I'll Never forget you man!*

“ I was very sadden to hear of Bills passing. Bill and I were Blood brothers (cut your finger) sworn friends to the end. Bill was a big part of my childhood growing up in Belgrade. The memories, sooooo many..... fixing our flat bicycle tires with screwdrivers only to puncher the tube more when putting back together. We would ride our bikes out North and camp in our leaking pup tents, fish and love life. Times spent shooting hoops in the driveway, so many good times we had. Bill helped get me the job at East End Chevron, Bills Chevy Caprice, and my Dodge Charger got many washes there. We lost touch we each other after he left Seely Lake, I was sure looking forward to meeting up with my old friend "Bald Bill", in the future..... I would always kid Bill that his hair was touching his ear, time to get it cut!! You rocked the flat top!!! and in the seventies when long hair was the fad.
Rest easy my friend, till me meet aging! "Gosh Dam I Am a Man"
My Condolences to the family
