“ *Linda,
Please accept my thoughts and prayers for you and your family at this time of sorrow. I often think of the time when, out of the blue, you addressed me in the Billings Clinic when both of our parents were in the Billings Clinic heart unit. You recognized me as a Glendive girl. You initiated a conversation that made my time easier and took my mind off of my Dad's illness. I know you are a dedicated daughter and that is a tribute to your parents. I know you will miss your Mother as I still miss my parents, but just remembering the good moments will keep them in your heart.

“ To the McGrane Family:

You may not know that Eddie and Yvonne were witnesses for my parents' wedding in 1947. After the ceremony legend states they all drove to Miles City in a convertible replete with tin cans, plenty of celebratory libations, and joy--or so the story goes.

Linda, you know Yvonne held a very special place in my mother's heart. She was one of her oldest and dearest friends. The last few years since mom passed I've felt a special connection to her when around Yvonne in a strange, wonderful way. My heart aches for you at this time. You have been a wonderful caretaker and daughter to this special lady.

May she rest In peace. -Jackie Vashus Schultz

“ *My mom remembers my dad Durwood Goodale wanted to go to Yvonne's high school graduation. So they drove to Glendive from Dickinson and returned to Dickinson in the wee hours of the morning. While living in Glendive they enjoyed raising their families and getting together often. So sorry to hear of Yvonne's passing. June Goodale Noyes and family.*
